## INVESTOR BREAKFAST WITH FORMER TATA GROUP EXECUTIVE

LIMITED TICKETS AVAILABLE AT [WWW.ASIASERIES.CH](http://WWW.ASIASERIES.CH)

## Is NOW the right time to invest in India?

With [Alan Rosling CBE](#), former Group Board Director at Tata Sons.

Most products in India rank 5<sup>th</sup>-7<sup>th</sup> in global competitiveness. With the sheer size of its youthful population and rising purchasing power, most Indian products will enter the top-3 category in the next 5-10 years. India's airline Industry went from 20<sup>th</sup> worldwide in the 90's, to 5<sup>th</sup> in 2016.

How are Prime Minister Modi's radical crackdowns on corruption and landmark tax reforms affecting performance of Indian companies? How are investor-perceptions of India changing, and what does the future hold for new investors? Even if convinced, how can investors navigate the thousands of small and mid-cap listed equities to identify the hidden gems?

**On Thursday June 22, our Investor Breakfast will be held at Baur au Lac with our guest of honour, Alan Rosling CBE.** Rosling spent 5-years alongside Ratan Tata as the first non-Indian on the Executive Board of Tata Sons, charged with internationalisation of the \$100bn group.
